

BFI BAKERY FOOD INVESTMENT

BEBAKERY FOOD INVESTMENT

Why Us?

EASILY

We prepare products that require a complex technological process, the products do not need to be thawed, and after baking, they have a shelf life of 48 hours in a perforated package.

DELICIOUSLY

The secret of our baking is natural ingredients, proven recipes, and reliable suppliers.

WIDE RANGE

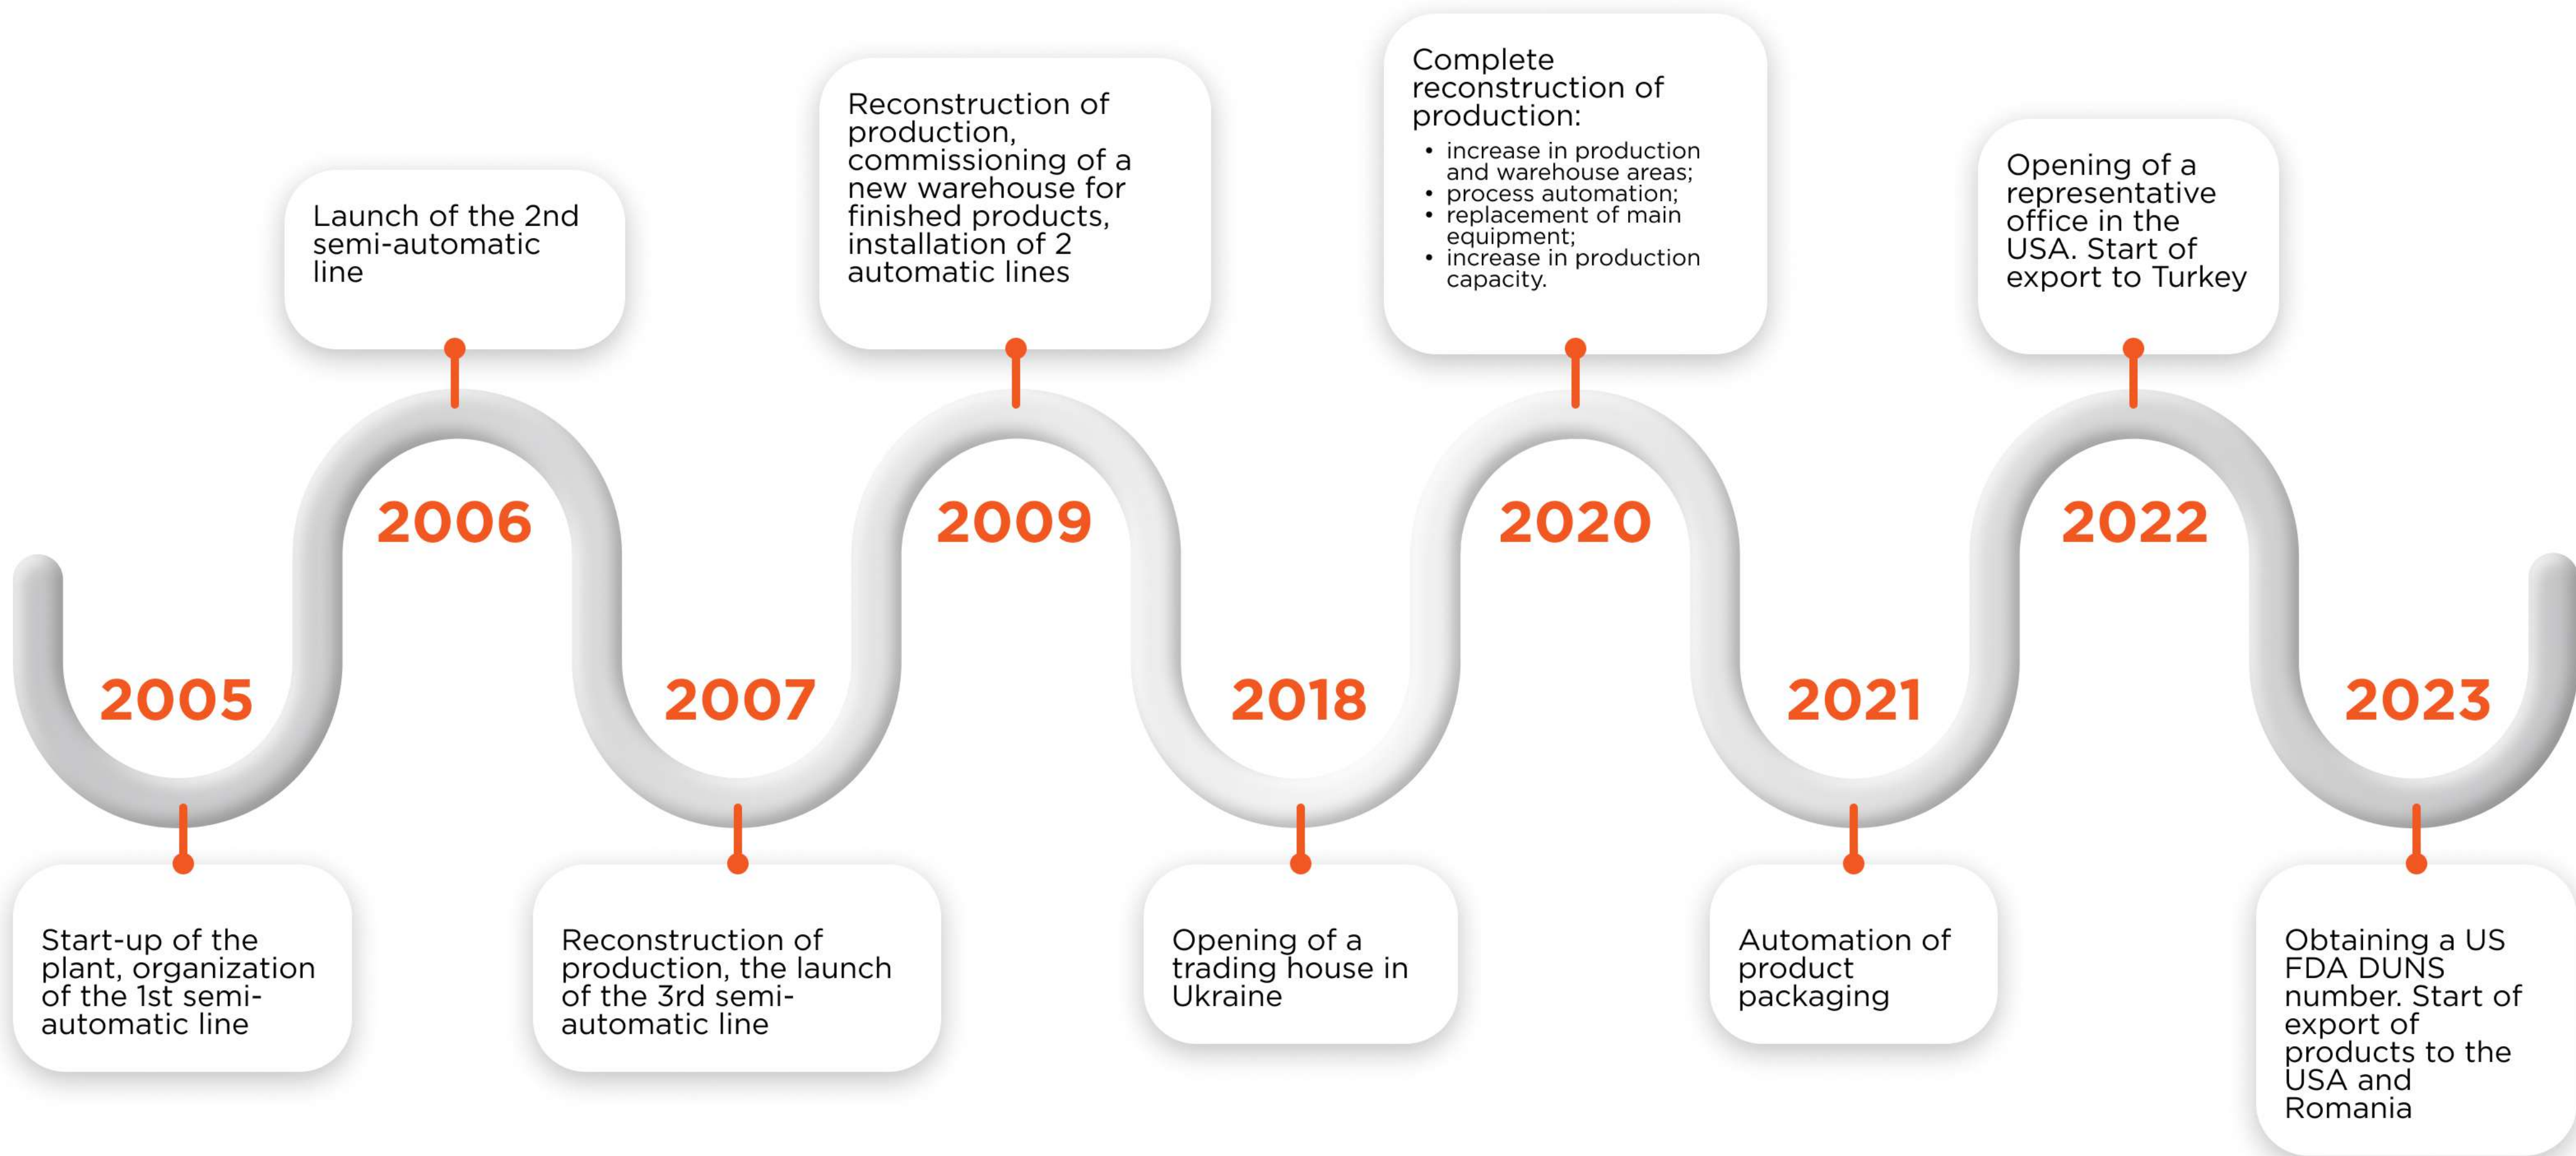

A variety of tastes, shapes, and aromas will satisfy the most demanding consumers.

RELIABLY

Our own artesian well and filling shops.

Stages Of Development

Bakery Food Investment

BFI - is the first large manufacturer of deep-frozen bakery products in Ukraine. The company has been operating on the market for more than 19 years and has proven itself as a reliable manufacturer of hot pastries.

The factory of Bakery Food Investment is located in the village of Kozelets, Chernihiv region. Its capacity allows it to produce more than 1500 tons of products monthly.

The plant has two automatic lines for forming, proofing, baking, cooling, and frozen products.
