ABOUT BFI

BFI - is the first major producer of deep-frozen bakery products in Ukraine. The company has been operating in the market for more than 20 years and has established itself as a reliable producer of hot baked goods. Bakery Food Investment plants are located in Chernihiv and Zakarpattia regions. Their production capacity allows them to produce over 5000 tons of products per month. The plants are equipped with automatic lines for forming, proofing, baking, cooling and freezing products.
